[13-803.

For the purpose of administering § 15-512 of this article ("Payment for vehicles totally destroyed by scrap processor") and § 25-207 of this article ("Abandoned vehicles: Sale of vehicle; disposition of proceeds"), the Administration may retain the money that was deposited in the State Treasury and accounted for on the records of the State Comptroller in a special account known as the Abandoned Vehicles Fund. The money shall be held in this account for the purpose specified in this section.]

DRAFTER'S NOTE: This deletes obsolete provisions, §§ 13-803 and 15-512 of the Transportation Article.

Ch. 698 of the Acts of 1984 provided that §§ 13-803 and 15-512 were to be repealed on July 1, 1986.

Although the Michie Company failed to show §§ 13-803 and 15-512 in the 1986 Supplement to the 1984 Replacement Volume for Volume II of the Transportation Article, the sections are being shown as repealed for the purpose of putting the General Assembly on notice of the delayed repeal.

The deletions were suggested by the professional staff of the Legislative Division of the Department of Legislative Reference.
