

The Secretary shall shake out, recondition, and pack any stayed tobacco. The tobacco then shall be reweighed and the inspection shall be recorded as provided in §§ 7-311 and 7-313.]

[7-317.

If tobacco is delivered at the warehouse for inspection in a condition that requires cooperation, the Secretary may refuse to accept the tobacco, or may accept the tobacco and charge a reasonable sum to repair or recover the tobacco.]

[7-318.

The Secretary shall determine the fees to be charged for services provided under this subtitle. The outage fee shall be paid by the shipper.]

[7-319.

(a) The Secretary may receive tobacco from any grower or owner, for storage only, if he determines that space is, or is reasonably anticipated to be, available in the warehouse for storage-only tobacco. Preference shall be given to the requests of growers and then to other owners requesting storage.

(b) All tobacco received for storage only is subject to a charge fixed by the Secretary and is subject to a 30-day notice by the Secretary for immediate removal, and to all other applicable laws and rules and regulations.

(c) The Secretary or any private inspector may not inspect storage-only tobacco unless the owner requests inspection and pays the appropriate charges.]

[7-320.

(a) All tobacco inspected in the warehouse is entitled to storage free of charge for six months from the date of sale.

(b) Every inspected hogshead remaining in the warehouse more than six months from the date of sale is subject to storage charges, as fixed by the Secretary.

(c) The Secretary may issue a 30-day notice requesting immediate removal for any tobacco stored longer than six months from the date of sale.]

[7-321.

A grower or owner of Maryland-grown tobacco may sell it either in the State or out of it in hogsheads of any size or weight, in boxes, or in any other style of package, without inspection or placement in the warehouse for any purpose, or
