EXECUTIVE DEPARTMENT - GOVERNOR

For the purpose of placing a ceiling on the total number of employees at any one time in fiscal year 1988, the Executive Department shall not expend funds for any job or position of employment approved in this budget in excess of 165-152 positions. Provided further, with the exception of the State Police, no additional positions shall be transferred into or detailed to the Executive Department from any other unit of State government for periods exceeding 90 days, without the expressed approval of the Budget Committees.

For the purpose of placing a ceiling on the total number of employees during fiscal year 1988, the Executive Department shall not expend funds for any job or position of employment in excess of 173 positions. The ceiling of 173 positions includes the 152 positions approved in the budget; the 13 positions to be transferred to the Executive Department pursuant to Executive
