

3. --local----health-----planning  
functions--qualifying--for--State  
support;

4. --a-method-for-allocating--State  
funds;

5. --the--connection--between-local  
health--planning----and----local  
government;

6. --local--financial-participation  
requirements  
provided that \$548,621 \$298,621  
of this amount be restricted to  
use for local health planning and  
furthermore that the same amount  
be contingent upon enactment of  
S.B. 818 or, if S.B. 818 is not  
enacted, the amount be withheld  
until the Budget Committees  
review and approve a detailed  
proposal for spending the funds.  
The proposal shall describe:

1. the functions to be performed  
by local health planning  
entities;

2. the requirements a local  
entity must meet to be designated  
to perform local health planning;

3. the relationship of local  
health planning entities to local  
government;

4. a method for allocating State  
funds; and

5. local financial participation  
requirements.

The proposal shall be submitted to  
the Budget Committees by July 1,  
1987.....
