

An entire repeal of the charter of a municipal corporation, and the termination of the existence of the municipal corporation, may be accomplished as generally provided above in the subheading "Charter Amendments." The resolution of the legislative body of the municipal corporation or the petition of 20 percent or more of the qualified voters need not contain the text of the charter which it is proposed to repeal, but may simply state the fact of the proposed repeal. The posting and publication of the proposed repeal also may simply state that fact, as may the registration of a favorable vote thereon with the [State agencies] DEPARTMENT OF LEGISLATIVE REFERENCE, as provided in § 9A of this article. From and after the time that the charter stands repealed it no longer may be included in any subsequent edition or printing of the code of public local laws of the county or State.

DRAFTER'S NOTE: This corrects obsolete provisions in Article 23A, §§ 19A(j), 27(a), and 41.

Ch. 78 of the Acts of 1983 altered a requirement that municipal documents filed with State agencies be in a certain form, to instead require that the documents be filed with the Department of Legislative Reference.

The obsolete provisions were noted by the Administrative Office of the Courts of Maryland.
