All appropriations provided for the program Medical Assistance Provider Reimbursements - 32.17.01.03 are to be used only for the purposes herein appropriated, and there shall be no budgetary transfer by budget amendment or otherwise from this program without the approval of the Budget Committees.

Furthermore, it is the intent of the General Assembly that the appropriations for the Medical Assistance Provider Reimbursements Program be expended in accordance with the budget detail as presented to and approved by the General Assembly. Deviation from the budget presentation should be solely due to fluctuations in service cost, enrollee utilization, or enrollment. The department may not make a regulatory, policy, or procedural change which has an impact greater than \$200,000 on the program's budget, except to the extent previously approved through the appropriations process. Changes in regulations for the Medical Assistance Program that require additional expenditures for the subprogram, shall be subject to the provisions of § 7-235 of the State Finance and Procurement Article.
