

maintenance by registrars or transfer agents of records of owners of bonds, complying with the standard record date system for payment of interest, issuing bonds on the basis of book entries and certificates, and complying with requirements for the form of bond that is acceptable to central depositories used in the marketing and trading of municipal bond issues.

DRAFTER'S NOTE: This corrects an erroneous deletion of a cross-reference from Article 29, § 4-101(a)(2)(ii).

The cross-reference to Article 31 of the Code was erroneously deleted in Ch. 5 of the Acts of 1986.

The erroneous deletion was noted by the legal staff of the Washington Suburban Sanitary Commission.

7-106.

(e) (2) The report shall:

(i) Identify the project;

(ii) Specify the dates of approval;

(iii) Indicate the current status of the project with an estimate of the date of completion of construction;

(iv) Indicate if the project is the subject of a material change and any amendment that is required under the provisions of [§ 7-106 of this title] THIS SECTION; and

(v) For approved projects in Montgomery County, indicate changes in the last estimated construction costs and modifications in locations, sizes, and lengths of construction items.

DRAFTER'S NOTE: This corrects a stylistic error in an internal reference in Article 29, § 7-106(e)(2).

The stylistic error occurred in Ch. 767 of the Acts of 1982.

The stylistic error was noted by the Michie Company.

8-103.

(b) (3) Also, this subsection and any agreement entered into under this subsection does not affect the WSSC's power with respect to public and semipublic water supply and sanitary sewerage systems specified in [§§ 8-102 and 8-103] THIS SECTION AND § 8-102 of this [title] SUBTITLE.
