

Error: Conjunction omitted and obsolete cross-references in § 21-208 of the Health - General Article.

Occurred: Conjunction was omitted in Ch. 240, Acts of 1982. As to the cross-references, Title 4 of the Health - Environmental Article were redesignated Title 21 of the Health - General Article in Ch. 306, of the Acts of 1987. Corrections of the cross-references by Michie Company in the 1987 Replacement Volume of the Health - General Article are validated.

21-218.

(a) In this [section] SECTION, "antibiotic drug" means any drug that:

(1) Is intended for use by a human being;

(2) Contains any quantity of a chemical substance or the chemically synthesized equivalent of a chemical substance that is produced by microorganisms; and

(3) Can inhibit or destroy microorganisms in dilute solution.

DRAFTER'S NOTE:

Error: Punctuation omitted in § 21-218(a) of the Health - General Article.

Occurred: Ch. 240, Acts of 1982.

21-249.

(b) (2) The authority under this subsection to conduct extended inspections of the records of an establishment that relate to prescription drugs does not include the authority to inspect records of the establishment that relate to:

(v) Research information, other than information that:

1. Relates to a new drug or an antibiotic drug and is subject to requirements for reporting and inspection that are imposed by rules and regulations adopted under [§ 355(i) or (j)] § 355(I) OR (K) or § 357(d) or (g) of the Federal Act; or

2. Relates to any other drug and would be subject to reporting or inspection under rules and regulations adopted under [§ 355(j)] § 355(K) of the Federal Act.

DRAFTER'S NOTE:
