(c) A committee, appointed by the Governor, shall prepare and adopt an apportionment formula relating to the percent of the total funds each subdivision will receive. The committee consists of two members of the Senate, three members of the House of Delegates, and four members of the public at large. The Secretary of the Department of State Planning and the Secretary shall serve as advisers to the committee. The committee shall meet at least annually to review and update the apportionment formula. In determining the allocation formula, the committee shall take into account for each subdivision[:] (1) [Current] CURRENT population, (2) projected population, and (3) other factors it deems desirable. In determining the apportionment for any year the committee may consider under-utilization of available funds and transfer or advance unused allocations that have not been utilized within a given period. The committee may reallocate funds, subject however to the policy that over the ten year period any subdivision shall be allocated in the aggregate the funds it would have been entitled to receive if able to utilize them. Before adopting an apportionment formula and before allocating funds for any year, the committee shall notify the governing bodies of every affected subdivision of its intended action and, after reasonable notice, afford an opportunity for hearings on the apportionment or allocation.
