

(ii) An information copy shall be provided to the municipalities in the county.

(iii) Any item for either the primary or secondary system may be added at any time to the needs inventory with the approval of the local governing body and a majority of the local legislative delegation.

(c) (1)] In calendar year 1979 and in each second year following, the Administration, following an assessment of the highway conditions and transportation needs of this State, shall prepare those proposed modifications to the highway needs inventory that it considers necessary.

(2) In preparing the proposed modifications, the Administration shall provide a copy of the proposal to and consult with the local governing body, municipalities, and local legislative delegations with respect to the proposed modifications.

(3) The Administration shall provide a copy of the State [master plan for transportation] REPORT ON TRANSPORTATION to each county and municipality prior to consultation.

DRAFTER'S NOTE:

Error: Obsolete provisions and cross-references in § 8-611 of the Transportation Article.

Occurred: The required State master plan was replaced with a requirement of a State Report on Transportation in Ch. 282, Acts of 1982. Subsection (b) of § 8-611 ceased to have any force and effect at the conclusion of calendar year 1980.

8-742.

This part does not prohibit the erection or maintenance of:

(2) Any outdoor sign used to identify a church or [an] A historical monument or location, if the sign is erected in accordance with the rules and regulations of the Administration; or

DRAFTER'S NOTE:

Error: Incorrect word usage in § 8-742(2) of the Transportation Article.

Occurred: Ch. 13, Acts of 1977.

11-125.
