

lighted lamps are required on vehicles, the driver of the vehicle shall display the following warning devices on the highway during the time the vehicle is so disabled on the highway, except as provided in subsection (b), (c) or (e) of this section[.]:

(1) A lighted fusee, a lighted red electric lantern, or a portable red emergency reflector shall be immediately placed at the traffic side of the vehicle in the direction of the nearest approaching traffic; and

(2) As soon thereafter as possible, but in any event within 15 minutes or before any fusee used for this purpose burns out, whichever occurs first, the driver shall place three liquid-burning flares (pot torches), three lighted red electric lanterns, or three portable red emergency reflectors on the roadway of the highway in the following order:

(i) One, approximately 100 feet from the disabled vehicle in the center of the lane occupied by the vehicle and toward traffic approaching in that lane;

(ii) One, approximately 100 feet in the opposite direction from the disabled vehicle and in the center of the traffic lane occupied by the vehicle; and

(iii) One at the traffic side of the disabled vehicle not less than 10 feet rearward or forward of it in the direction of the nearest approaching traffic, except that, if a lighted red electric lantern or a red portable emergency reflector has been placed at the traffic side of the vehicle in accordance with paragraph (1) of this subsection, it may be used for this purpose.
