Further provided that it is the intent of the budget committees that an advisory committee for the Youth Center at Doncaster in Charles County be appointed by the Director of Juvenile Services Agency prior to December 31, 1988. The advisory committee shall be comprised of 13 members. Seven members (3 from Charles County, 2 from St. Mary's County, 1 from Calvert County, and 1 from Prince George's County) shall be appointed from among individuals recommended by the county governing body of the respective counties provided that the county governing body makes its recommendations no later than October 31, 1988. If the respective county governing body does not submit the names of recommended individuals by October 31, 1988, the recommendations of individuals from the respective county will be made by the contractor operating Doncaster Youth Center. Six members, who are representatives of the community which the facility serves and in which it is located, shall be appointed from among individuals recommended by the contractor. The term of each member is four years. If the advisory committee is not appointed by the Director of Juvenile Services Agency by December 31, 1988, the general fund appropriation shall be reduced by \$25,000.....
