

1988 Consolidated  
Transportation Program;

(ii) continuation of the  
Department of  
Transportation's priority  
on system preservation;

(iii) construction and  
operation of light rail  
in the corridors as  
outlined in the light  
rail analysis, including  
participation by local  
governments in the  
construction costs of  
light rail;

(iv) construction of highway  
projects in the design  
and evaluation program in  
the 1988 Consolidated  
Transportation Program  
including anticipated  
schedule of construction  
and consideration of  
highway projects not  
currently in the 1988  
Consolidated  
Transportation Program;

(v) transportation of  
commuters by mass transit  
(other than light rail),  
by commuter rail or by  
other transportation  
modes.

(4) (5) Baltimore City and Anne  
Arundel and Baltimore  
Counties shall report to the  
Legislative Policy Committee  
on the status of the local  
government funding support of  
\$45 million (\$15 million from  
each jurisdiction). This  
report shall be submitted to  
the Legislative Policy  
Committee by October 1, 1988.

(5) (6) The Department of  
Transportation shall report  
to the Legislative Policy
