

(2) A DIFFERENT DEFINITION IS PROVIDED FOR A PARTICULAR TITLE OR PROVISION.

REVISOR'S NOTE: This subsection formerly appeared as SF § 11-101(a).

In the introductory language of this subsection, the reference to "Division II" is substituted for the former reference to "subtitle" to reflect the reorganization of this revised Division. The substituted language is broader since this Division contains provisions from former Title 11, Subtitle 2 and Title 12. At the same time, provisions that appeared in former Title 11, Subtitle 1 now are contained in new titles that correspond to distinct areas of the procurement laws. Thus, definitions that applied to only one subtitle in the former law now apply throughout Division II. See revisor's note to § 11-203 of this title.

The only other changes are in style.
