Former SF § 11-101(m)(1), which defined "[c]ontractor" as "a person having a contract with a State agency", is deleted as surplusage.

Former SF § 11-101(m)(2), which stated that "'[c]ontractor' does not include an employee with an employment contract or an employee organization with a collective bargaining agreement", is deleted as unnecessary since § 11-101(m)(2) of this revised section excludes "a collective bargaining agreement with an employee organization" from the definition of a "procurement contract".

Former SF § 11-101(o), which defined the word "[c]ontrol" as "the power to supervise, regulate and command" and "the authority to approve or disapprove an action", is deleted as unnecessary since that definition did not add to the meaning of the word "control" as it is commonly understood.

Former SF § 11-101(u), which defined "[i]ncludes" and "including", is deleted as unnecessary in light of Art. 1, § 30 of the Code.

Former SF § 11-101(v), which defined the word "[l]ease" as "a contract under which the State uses real or personal property to which the State does not have title", is deleted as unnecessary since that definition did not add to the meaning of the word "lease" as it is commonly understood.

Former SF § 11-101(bb), which defined "[p]rocurement agency head" as "the head of a procurement agency", is deleted as surplusage.

Former SF § 11-101(ee), which defined "[r]egulation" as having "the meaning stated in § 10-101 of the State Government Article", is deleted as surplusage.
