

Subsection (b)(4) of this section is new language added to state expressly the exception indicated by the cross references, in former SF § 11-103(b), to "§§ 11-154 and 11-172" -- now § 13-305 of this article.

In subsection (a)(1)(v) of this section, the reference to the "Department of Economic and Employment Development" is substituted for the former reference to the "Department of Economic and Community Development", to reflect the reorganization of the latter Department by Ch. 311, Acts of 1987.

In subsection (a)(1)(vi) of this section, the word "or" is substituted for the former word "and", since it did not seem to be the intent of the General Assembly to exclude only those services procured jointly by the Board of Trustees and the State Investment Agency.

Similarly, in subsection (a)(1)(xii)3. of this section, the word "or" is substituted for the former word "and", since it did not seem to be the intent to exclude services only if they relate both to investment and banking.

In subsection (c) of this section, the reference to "Title 14, Subtitle 3 of this article" is added to reflect FI § 13-718(2).
