

THE SELECTION BOARDS SHALL ADOPT REGULATIONS THAT PROVIDE SUBSTANTIALLY SIMILAR PROCEDURES TO CARRY OUT THIS SUBTITLE.

(B) POLICY.

THE PROCEDURES OF EACH SELECTION BOARD SHALL ENSURE THAT A RECOMMENDATION TO THE BOARD OF PUBLIC WORKS FOR THE AWARD OF A PROCUREMENT CONTRACT FOR ARCHITECTURAL OR ENGINEERING SERVICES COSTING OVER \$100,000 IS MADE ON A COMPETITIVE BASIS AND INCLUDES AN EVALUATION OF THE TECHNICAL PROPOSALS AND QUALIFICATIONS OF AT LEAST 2 PERSONS.

REVISOR'S NOTE: This section is new language derived without substantive change from former SF §§ 11-153, 11-157(a)(1), 11-171, and 11-175(a)(1).

In subsection (a) of this section, the reference to "this subtitle" is substituted for the former references to "this Part XIV" and "this Part XV". See revisor's note to § 13-301(a) of this subtitle.

Also in subsection (a) of this section, the former cross references to regulations adopted under "this section [former § 11-153] and ... § 11-172" and under "this section [former § 11-171] and ... § 11-153" are deleted as unnecessary in light of the consolidation of former §§ 11-153 and 11-171 in this revised section. In any event, the former cross reference to "§ 11-172" seemed to be erroneous.

Subsection (b) of this section is revised to indicate that the procedures of the Selection Boards must comply to certain requirements in order to achieve the end result -- i.e., to recommend to the Board of Public Works the name of a contractor for the award of a procurement contract for architectural services or engineering services. This revision clarifies that all procedures in this subtitle are an aid in making the recommendation to the Board of Public Works, which is set forth as a substantive requirement in § 13-315 of this subtitle.
