

"CERTIFICATION" MEANS THE DETERMINATION THAT A LEGAL ENTITY IS A MINORITY BUSINESS ENTERPRISE FOR THE PURPOSES OF THIS SUBTITLE THROUGH A PROCEDURE THAT:

- (1) THE DEPARTMENT OF TRANSPORTATION USES; OR
- (2) THE STATE MINORITY BUSINESS CERTIFICATION COUNCIL RECOMMENDS.

REVISOR'S NOTE: This subsection is new language derived without substantive change from former SF § 11-148(a)(5).

Former SF § 11-148(a)(5) referred to an entity being a minority business enterprise for purposes of this "subtitle", which encompassed all of former Title 11, Subtitle 1. The word "subtitle", in the introductory language of this section, is narrower since it encompasses only those provisions derived from former SF § 11-148. The Procurement Revision Review Committee believes that the former cross reference was incorrect and should have referred only to the purposes of this "section". This ambiguity, however, is noted for the consideration of the General Assembly.

Defined term: "Minority business enterprise" § 14-301

(C) CERTIFIED MINORITY BUSINESS ENTERPRISE.

"CERTIFIED MINORITY BUSINESS ENTERPRISE" MEANS A MINORITY BUSINESS ENTERPRISE THAT HOLDS A CERTIFICATION.

REVISOR'S NOTE: This subsection is new language added to avoid repetition of the phrase "minority business enterprise that holds a certification".

Defined terms: "Certification" § 14-301
"Minority business enterprise" § 14-301

(D) DESIGNATED UNIT.

"DESIGNATED UNIT" MEANS:

- (1) THE DEPARTMENT OF GENERAL SERVICES;
