

PROCUREMENT FOR WHICH THE PROCEDURE FOR NONCOMPETITIVE NEGOTIATED PROCUREMENT HAS BEEN APPROVED UNDER § 13-106 OF THIS ARTICLE.

(E) FORM OF REPORTS TO GENERAL ASSEMBLY.

A REPORT TO THE GENERAL ASSEMBLY UNDER THIS SECTION IS SUBJECT TO § 2-1312 OF THE STATE GOVERNMENT ARTICLE.

REVISOR'S NOTE: This section is new language derived without substantive change from former SF § 11-131.

Subsection (a)(1) of this section is revised to state affirmatively that the "procurement officer" reasonably expects the procurement contract to be performed outside the State and the District of Columbia. This revision is consistent with the revised language of § 13-103(c) of this article.

In subsection (a)(1) of this section, the reference to former § "11-111(c)" is deleted as unnecessary, since that former subsection merely provided a cross reference to former § 11-110(b)(2), which is revised as § 13-103(c) of this subtitle.

In subsection (a)(2) of this section, the word "or" is substituted before the words "engineering services" for the former word "and", because it did not seem to be the intent of the General Assembly to require the report only if the procurement was for all of the items listed.

In subsection (b)(1)(iii) of this section, the reference to "a description of the procurement" is substituted for the former references to the type of procurements associated with the procurement contracts being reported, since subsection (a)(2) of this section designates the procurements that must be reported and subsection (a)(3) of this section applies to any procurement under § 13-107 or § 13-108 of this article. Although the former law required a report on a procurement awarded under § 13-107 or § 13-108 of this article to describe only "the supplies, services, construction, or construction related services procured or real property leased", it did not seem to be the intent of the General Assembly to exclude architectural services or engineering services from the report.

Defined terms: "Architectural services" § 11-101
"Board" § 11-101
"Construction related services" § 11-101
"Engineering services" § 11-101
"Procurement" § 11-101
