

Paragraph (2)(ii) of this subsection is new language added to state expressly that which was only implied in the former law, which excluded political subdivisions from the definition of "public body" -- and, thus, from the substantive provisions of this subtitle -- unless the subdivision elected to be covered or, for school construction, the State contributed 75% or more of the funding.

In paragraph (1)(i) of this subsection, the former reference to "streets" is deleted as surplusage.

In paragraph (2)(i) of this subsection, the reference to a "public service company" is substituted for the former reference to a "public utility company", to conform to the language of Art. 78, § 2(o) of the Code.

Defined term: "Construction" § 17-201

(K) PUBLIC WORK CONTRACT.

"PUBLIC WORK CONTRACT" MEANS A CONTRACT FOR CONSTRUCTION OF A PUBLIC WORK.

REVISOR'S NOTE: This subsection is new language added to avoid repetition of the phrase "contract for construction of a public work".

Defined terms: "Construction" § 17-201
"Public work" § 17-201

(L) WORKER.

"WORKER" MEANS A LABORER OR MECHANIC.

REVISOR'S NOTE: This subsection is new language derived without substantive change from former SF § 12-301(f).

The word "worker" is substituted, as the defined term, for the former word "[w]orkman" since it is gender neutral.

The former reference to "[w]orkman" meaning a "workman" is deleted as surplusage.
