

(2) INCLUDES:

(I) EACH RECOMMENDATION RECEIVED FROM THE ADVISORY COUNCIL ON PREVAILING WAGE RATES DURING THE PRECEDING CALENDAR YEAR;

(II) FULL INFORMATION ABOUT THE OPERATION OF THIS SUBTITLE; AND

(III) OTHER INFORMATION ABOUT PREVAILING WAGE RATES, AS THE COMMISSIONER DESIRES.

REVISOR'S NOTE: Subsection (a) of this section is new language derived without substantive change from the first sentence of former SF § 12-306(c) and the second sentence of § 12-307(d), as that sentence referred to the general duty of the Commissioner to adopt regulations "necessary to effectuate the purposes of this subtitle".

Subsection (b) of this section is new language derived without substantive change from the third sentence of former SF § 12-313(b).

The Procurement Revision Review Committee notes, for consideration by the General Assembly, that subsection (b)(1) of this section repeats the references to the "preceding calendar year", which appeared in former SF § 12-313(b). The references are ambiguous, since it is not clear whether they describe the year preceding the date of submission of the report or the date the report is due. If the intent is to have a calendar year report, the Commissioner should be given a reasonable time to prepare the report.
