

(2) A physician licensed by and residing in another jurisdiction, while engaging in consultation with a physician licensed in this State;

(3) A physician employed in the service of the federal government while performing the duties incident to that employment;

(4) An individual while performing acupuncture in accordance with § 14-605 of this title;

(5) A physician who resides in and is authorized to practice medicine by any state adjoining this State and whose practice extends into this State, if:

(i) The physician does not have an office or other regularly appointed place in this State to meet patients; and

(ii) The same privileges are extended to licensed physicians of this State by the adjoining state; and

(6) An individual while under the supervision of a licensed physician who has specialty training in psychiatry, and whose specialty training in psychiatry has been approved by the Board, if the individual either:

(i) 1. Has a master's degree from an accredited college or university; and

2. Has completed a graduate program accepted by the Board in a behavioral science that includes 1,000 hours of supervised clinical psychotherapy experience; or

(ii) 1. Has a baccalaureate degree from an accredited college or university; and

2. Has 4,000 hours of supervised clinical experience that is approved by the Board.

14-303.

(b) Subject to the rules, regulations, and orders of the Board [and the Commission], a cardiac rescue technician, while delivering emergency health care services or undergoing training, may:

(1) Perform all phases of cardiopulmonary resuscitation;

(2) Administer drugs or intravenous solutions as directed by a licensed physician by radio, telemetry, or written or oral instruction; and
