

After the erection of said boards, they shall be repaired, renewed and maintained by the BOARD OF county commissioners [of said county].

19-1.

(a) Cecil County is hereby declared to be a sanitary district for the purpose of the exercise of the powers vested by this chapter in the BOARD OF county commissioners of Cecil County, (hereinafter referred to as "the county") provided that the county shall exercise no authority over the operation or construction of the sewerage, water and drainage facilities of any incorporated municipality, except over such facilities within the corporate limits of any municipality' over which the county or county agency may have exercised jurisdiction prior to June 1, 1972; except that the county may, upon petition by the governing body of a municipality, enter the incorporated municipality in cooperation with said municipality for the operation, construction and maintenance of water, sewerage and drainage facilities within such municipality; and provided further, that the county may, either jointly with an incorporated municipality, or independently, acquire by purchase or condemnation any land, structure, building or franchise of a privately owned water or sewerage system within any municipality water, sewerage and drainage facilities of any incorporated municipality shall not be extended beyond the corporate limits of such municipality without the express approval and authority of the county, except that such approval shall not be required in the event of annexation by such municipality pursuant to Article 23A of the Annotated Code of Maryland.

(b) Nothing in this chapter shall be construed as impairing the validity of any bonds issued prior to June 1, 1972, by the Cecil County Metropolitan Commission and guaranteed by Cecil County, Maryland.

(c) In exercising the powers granted by this subtitle, the county shall not be subject to the provisions of any planning regulations or zoning ordinances enacted under the provisions of Article 66B of the Annotated Code of Maryland.

19-2.

For the purpose of carrying out the provisions of this chapter, the Sanitary District shall be under the jurisdiction and control of the BOARD OF county commissioners of Cecil County.

19-6.

The county is hereby expressly authorized and empowered to establish, construct, locate, maintain, operate, protect, preserve, repair, replace, extend or enlarge any water supply, water supply system, water main, sewer, sewer system, sewage
