

(1) Who is certified by his high school principal, based on standards of the State Board of Education, as qualified to pursue a course of study at the institution; or

(2) Who meets the admission standards of the institution.

(b) (1) Each public institution of higher education may accept, for special admission any student who has:

(i) Completed the seventh grade; and

(ii) A scholastic aptitude test combined score of 1,200 or an equivalent score on a nationally accepted college entrance examination.

(2) This subsection does not affect the State or local share of aid provided pursuant to Section 5-202 of the Education Article to the secondary school in which the student is enrolled.

[11-102.] 15-102.

(a) Each public institution of higher education may honor credit cards as payment for:

(1) Tuition and fees;

(2) Room and board; and

(3) Any goods or services purchased from other auxiliary enterprises.

(b) The governing boards of the institutions shall determine which credit cards are acceptable for this purpose. However, a public institution may not accept a credit card from any credit card company which charges that institution a vendor discount, service charge or similar fee in excess of 2.5 percent.

[11-103.] 15-103.

Each public institution of higher education that provides access to its campus or its student information directory to any person or group which makes students aware of occupational or educational options shall provide access on the same basis to official recruiting representatives of the military forces of this State and the United States for the purpose of informing students of educational and career opportunities available in the military.

[11-201.] 15-104.
