In subsection (a) of this section, the term "person" is substituted for "licensee", for clarity.

In the second clause of subsection (b) of this section, the reference to "licensee or exemption certificate holder" is substituted for the former reference to "any person", for clarity and to conform with the other provisions of this section.

In subsection (c) of this section, the reference to "appropriate registration" is substituted for the former reference to "registration plate of such vehicle", for accuracy.

Also in subsection (c) of this section, the former references to registration "plate" and the requirement that it be surrendered are deleted as unnecessary in light of the provisions of Title 13 of the Transportation Article.

In subsection (d) of this section, the reference to "the corrective action taken" by the licensee or exemption certificate holder is substituted for the former words "upon satisfaction", for clarity and to reflect administrative practice.
