

DISPOSAL SYSTEM CONFORMS TO THE COUNTY SOLID WASTE MANAGEMENT PLAN AND MEETS ALL APPLICABLE ZONING AND LAND USE REQUIREMENTS.

9-222.

(a) The Secretary may issue an order under subsection (b) of this section, if, after investigation, the Secretary determines that the absence or incompleteness of a public water supply system, public sewerage system, or [public] refuse disposal system in a county, municipal corporation, sanitary district, subdivision, or locality:

(1) Is sufficiently prejudicial to the health or comfort of that or any other county, municipal corporation, sanitary district, subdivision, or locality; or

(2) Causes a condition by which any of the waters of this State are being polluted or could become polluted in a way that is dangerous to health or is a nuisance.

(b) An order under this section may require:

(1) The installation, ALTERATION, EXTENSION, UTILIZATION [and], operation, or the completion of a public water supply system, public sewerage system, or [public] refuse disposal system in a county, municipal corporation, sanitary district, subdivision, or locality within a time that the Secretary sets; or

(2) The installation of any device, the establishment of any method, or the enforcement of any measure or regulation that the Secretary considers proper under the circumstances.

9-224.

(c) A person who is subject to an order issued under this section shall have a permit issued by the Secretary under [this section] § 9-204 OF THIS SUBTITLE before the person may change the waste disposal methods used by an industrial establishment.

[(d) A person who is subject to an order issued under this section shall submit to the Secretary for approval any plans to change the waste disposal methods used by the industrial establishment.]

[(e) If the Secretary approves plans under subsection (d)(1) of this section, the Secretary shall issue a permit to the owner or operator.]

[(f) A person who is subject to an order issued under this section:
