

4-212. MISCELLANEOUS POWERS AND DUTIES.

IN ADDITION TO ANY POWERS AND DUTIES SET FORTH ELSEWHERE, THE COMMISSION HAS THE FOLLOWING POWERS AND DUTIES:

- (1) TO ADOPT A SEAL;
- (2) TO USE THE SEAL TO AUTHENTICATE ITS PROCEEDINGS;
- (3) TO DETERMINE THE SIZE AND FORM OF LICENSE CERTIFICATES AND POCKET CARDS; AND
- (4) TO APPROVE EDUCATIONAL COURSES.

SUBCOMMITTEE COMMENT: This section is new language derived without substantive change from the first sentence of former Art. 56, § 215(b), § 221(c), as that subsection related to the size and form of license certificates and pocket cards, and § 226(a), as that subsection related to educational material.

In item (4) of this section, the reference to educational "courses" is substituted for the former reference to educational "material", for clarity.

Also in item (4) of this section, the former requirement that the Commission mail any educational material approved by the Commission to each licensee and make the material available to any other person on request is deleted as obsolete. The former requirement was applicable before the establishment of a continuing educational program under this title.

The second and third sentences of former Art. 56, § 215(b), which provided that copies of records of the Commission may be received in evidence like originals and that records of the Commission are open to public inspection, are deleted as unnecessary. The admissibility of public records is governed by CJ § 10-204. Inspection of public records is governed by the general provisions concerning access to public records in SG §§ 10-611 to 10-628.
