

SECTION 10. AND BE IT FURTHER ENACTED, That except as expressly provided to the contrary in this Act, any person licensed, registered, or certified by any unit established or continued by any statute amended, repealed, or transferred by this Act is considered for all purposes to be licensed, registered, or certified by the appropriate unit continued under this Act for the duration of the term for which the license, registration, or certification was issued, and may renew that authorization in accordance with the appropriate renewal provisions of this Act. Except as expressly provided to the contrary in this Act, an individual who was originally licensed, registered, or certified under a provision of law that has been deleted by this Act as obsolete, continues to meet the education and experience requirements to the same extent as if that provision had not been deleted.

SECTION 11. AND BE IT FURTHER ENACTED, That this Act shall take effect October 1, 1988.

Approved May 27, 1988.

CHAPTER 564

(Senate Bill 210)

AN ACT concerning

Motor Fuel Tax

FOR the purpose of establishing licenses for distributors and turbine fuel sellers; modifying the provisions relating to dealers, special fuel sellers, and special fuel users; defining certain terms; modifying an exemption to make motor fuel used to propel turbine-powered aircraft subject to tax; authorizing the Comptroller to allow the omission of tax on sales to the federal government by licensed turbine fuel sellers; ~~requiring turbine fuel sellers to file returns~~; clarifying the applicability of a tax rate; requiring turbine fuel sellers to file certain returns; altering the required contents of returns; clarifying the times certain dealers make returns; altering the time that records are required to be kept; deleting certain provisions for records of buyers for resale; requiring distributors and turbine fuel sellers to keep certain records; providing for inspection and charges in connection with certain of those records; requiring certain invoices instead of other sales documents; prohibiting receipt, payment, or sale of motor fuel without an invoice and providing penalties for violations; extending the prohibition to distributors,
