

this program;

- a. Any prior amount used for match under
- b. Outstanding State debt relating to the property from any program other than this;
- c. Any prior grant under this program;
- d. Any other tangible State investment in the property.

(vi) The amount of the State grant for any project shall be determined after consideration of:

1. The senior citizen population density of the area for which the Elderly Citizen Activities Center is proposed;
2. The proximity of the proposed Center to existing Elderly Citizen Activities Centers; and
3. Localities eligible for State funding that have not received funds in the past.

(7) The Board of Public Works shall make allocations from funds available under this Act in accordance with this Act. The Board shall certify the allocations to the proper State officers, and the Treasurer shall make payments to or on behalf of the appropriate local government agency, when needed, for eligible work.

(8) (i) If, within 30 years after completion of a project, property with respect to which funds have been paid under this Act is sold or transferred for use other than as an Elderly Citizen Activities Center or to any person, agency, or organization that is not approved as a transferee by the Board of Public Works, or if, within the same period, such property ceases to be operated as an Elderly Citizens Activities Center, then the State may recover from either the transferor or transferee or, in the case of property that ceases to be operated as an Elderly Citizen Activities Center, from the owner, an amount bearing the same ratio to the then-current value of so much of the property as constituted an approved project as the amount of the State participation bore to the total eligible cost of the approved project, together with all costs and reasonable attorneys' fees incurred by the State in the recovery proceedings.

(ii) The Office on Aging shall cause notice of this right of recovery to be recorded in the land records of the county or Baltimore City in which the property is located before the State makes any funds available for the approved project. The recording of the notice shall not create any lien against the property; however, it shall constitute notice to any potential
