

places specified in the application, and the action taken by the judge on each application; and

(6) Where the application is for the extension of an order, a statement setting forth the results thus far obtained from the interception, or a reasonable explanation of the failure to obtain the results.

(b) The judge may require the applicant to furnish additional testimony or documentary evidence in support of the application.

(c) Upon the application the judge may enter an ex parte order, as requested or as modified, authorizing interception of wire [or], oral, OR ELECTRONIC communications within the territorial jurisdiction of the court in which the judge is sitting, if the judge determines on the basis of the facts submitted by the applicant that:

(1) There is probable cause for belief that an individual is committing, has committed, or is about to commit a particular offense enumerated in § 10-406 of this subtitle;

(2) There is probable cause for belief that particular communications concerning that offense will be obtained through the interception;

(3) Normal investigative procedures have been tried and have failed or reasonably appear to be unlikely to succeed if tried or to be too dangerous;

(4) There is probable cause for belief that the facilities from which, or the place where, the wire [or], oral, OR ELECTRONIC communications are to be intercepted are being used, or are about to be used, in connection with the commission of the offense, or are leased to, listed in the name of, or commonly used by this person.

(d) (1) Each order authorizing the interception of any wire [or], oral, OR ELECTRONIC communication shall specify:

(i) The identity of the person, if known, whose communications are to be intercepted;

(ii) The nature and location of the communications facilities as to which, or the place where, authority to intercept is granted;

(iii) A particular description of the type of communication sought to be intercepted, and a statement of the particular offense to which it relates;
