

15. For other provisions on removal, see: Md. Constitution, Art. XV, § 2, on suspension and removal for crimes, and Art. 41, § 1-203 of the Code, on removal for failure to attend meetings.

In subsection (a)(4)(v) of this section, the former specific reference to "Baltimore County" is deleted as inconsistent with subsection (a)(6) of this section.

In subsection (a)(6) of this section, the reference to "a county or area of a county" is substituted for the overly broad reference to "political subdivision".

In subsection (d) of this section, the specific reference to "Article I, § 9 of the Maryland Constitution" is substituted for the former phrase "by law", for clarity.

Also in subsection (d) of this section, the former word "affirmation" is deleted as included in the word "oath". See Art. 1, § 9 of the Code.

Also in subsection (d) of this section, the former phrase "within thirty days after notification of his appointment" is deleted to allow the provisions generally applicable to offices of profit or trust, Art. 70, § 11 of the Code, to govern this office. Those provisions generally require an appointee to take the oath of office within 30 days after a clerk of court receives the commission. Only in those instances when no commission is sent to the clerk, do the provisions measure from the date of notification. Similarly, in subsection (d) of this section, the former limited requirement for the oath to be taken "before the clerk of the Circuit Court for Baltimore City" is deleted. Art. 70, § 7 of the Code allows an appointee to an office of profit or trust to make an oath before the clerk of any circuit court or before a deputy clerk. This latter deletion also reflects that, in practice, appointees have made an oath before a clerk or deputy clerk of the circuit court in the county where the appointees live.

The seventh sentence of former Art. 56, § 449(a), which provided for the expiration of the terms of all members on May 1, 1985, is deleted as obsolete.

The first clause of the first sentence of former Art. 56, § 452, which provided for the initial terms of the members of the 1910 Board, is deleted as obsolete.

The third and fourth clauses of the first sentence of former Art. 56, § 452, which made failure to take the
