

that former reference was intended only to encompass the comparable federal injunctions. Under federal law, an order that is granted, without a hearing, to enjoin action is denominated a "temporary restraining order". However, in common usage, a "temporary injunction" would encompass both the Maryland forms of "ex parte" and "interlocutory" injunction.

Also in subsection (c)(1) of this section, the defined term "person" is substituted for the former limited reference to "any citizen of this State", for clarity.

Also in subsection (c)(1) of this section, the former reference to conduct as "continuing" is deleted as unnecessary in light of the reference to "irreparable".

In subsection (c)(2)(i) of this section, the former specific reference to an "association, copartnership, or corporation" is deleted as included in the defined term "person".

The phrase "under this title" is substituted for the former limited phrase "under the provisions of § 450", which referred only to fees for the issuance and renewal of certain licenses, since, in fact, the Board collects other fees and these fees also are paid into the General Fund.

Defined term: "Board" § 3-101

THE BOARD EXERCISES ITS POWERS, DUTIES, AND FUNCTIONS SUBJECT TO THE AUTHORITY OF THE SECRETARY.

COMMITTEE COMMENT: This section is new language derived from the seventeenth sentence of former Art. 56, § 449(a).
