

In subsections (a), (b)(4)(ii), and (c)(1) of this section, the references to "Baltimore County" and "the Washington Suburban Sanitary Commission" are substituted for the former, overly broad references to "a board or agency of any subdivision or official body of this State" and the "subdivision or official body", to conform to the current practice of the Board.

The introductory clause of subsection (a) of this section, "[s]ubject to the limitations in this section", is substituted for the former phrase "subject to the provisions of this subtitle and the rules ... of the Board", to clarify the applicable limitations.

In subsection (b)(1) of this section, the reference to the fee "required under § 3-306" is added for clarity, since there is also an application fee.

 "Journey plumber" § 3-101 "License" § 3-101
