COMMITTEE COMMENT: This section is new language derived from the second clause of the second sentence of former Art. 56, § 453(a) and the second clause of the sixteenth sentence of § 449(a) and rephrased in standard language for clarity.

The third sentence of former Art. 56, § 453(a), which required licenses to "be so framed as to show journeyman plumbers and apprentices are authorized to work only as above provided", is deleted as surplusage.

The second sentence of former Art. 56, § 453(d), which required references, in general or local laws of the State, to a person qualified to work at the plumbing business or to do plumbing work to be construed to refer to a master plumber and prohibited interpretation to mean a journey plumber or an apprentice plumber since the latter may only work under the supervision of the master plumber, is deleted as unnecessary in light of the terminology used in this title.
