

for the former, specific references to a "political subdivision", "municipalit{y}", "cit{y}", and "count{y}", to conform to the terminology used elsewhere in this title.

In subsections (a)(1) and (2) and (c) of this section, references to a "person who engages in the business of providing electrical services" are substituted for former references to "electrical contractors" and "contractors", for clarity.

In subsection (a)(2) of this section, the words "electrical services" are substituted for the former word "work", for clarity.

Also in subsection (a)(2) of this section, the former provision for a local jurisdiction to adopt any system of licenses is deleted as surplusage in light of subsection (a)(1) of this section.

In subsection (a)(4) of this section, the defined term "provide electrical services" is substituted for the former reference to "electrical work performed", for clarity.

Also in subsection (a)(4) of this section, the phrase "except as provided in § 2-602 of this title" is substituted for the former exception "where a State master electrical license has been issued by the State Board to a licensee, when no local examination will be necessary", for clarity.

In the introductory language of subsection (a)(5) of this section, the word "licensed" is substituted for the former word "registered" to conform to changes in terminology made throughout this title.

In subsection (a)(5)(ii) of this section, the references to "issuance" and "renewal" are added as standard language for clarity.

In subsection (b) of this section, the former exemption for a political subdivision "which does not have licensing provisions for this activity" is deleted in light of the revision of § 2-301 of this title.

Defined terms: "Engage in the business of providing electrical services" § 2-101
"License" § 2-101 "Local board" § 2-101
"Master electrician" § 2-101 "Person" § 1-101
"Provide electrical services" § 2-101
