

(2) THE APPLICANT:

(I) SHALL SUBMIT AN APPLICATION FOR REEXAMINATION TO THE STATE BOARD ON THE FORM THAT THE STATE BOARD PROVIDES; AND

(II) UNLESS, FOR GOOD CAUSE, THE STATE BOARD WAIVES PAYMENT OF THE APPLICATION FEE, SHALL AGAIN PAY THE APPLICATION FEE UNDER § 2-305 OF THIS SUBTITLE.

COMMITTEE COMMENT: Subsection (a) of this section is added as standard language.

Subsections (b) through (i) of this section are new language derived from former Art. 56, §§ 533(e) and 534(e), the first and third through sixth sentences of (c), and the third and fifth through seventh sentences of (d).

In subsection (b) of this section, the word "dates" is added to facilitate the implementation of the requirement that an individual submit an application 45 days before the examination date.

Also in subsection (b) of this section, the former phrase "within the State" is deleted.

In subsection (d)(2)(i) of this section, the former reference to "rules" is deleted in light of the reference to "laws".

In subsection (h) of this section, the limitation "who failed an examination" is added for clarity.

In subsection (i)(2)(i) of this section, the reference to an "application for reexamination" is substituted for the former reference to a "new application" to clarify that the application for reexamination is not the same as the initial application for examination. The State Board sends an applicant for reexamination a card to be returned with the applicant's name and address on it. Unless a qualification has changed between the time the applicant first applied for an examination and the time that the applicant applies for a reexamination, no new application is required.

In subsection (i)(2)(ii) of this section, the reference to waiver of the "application fee" is substituted for the former reference to waiver of "{t}his requirement", for clarity and conformity to the current practice of the State Board.
