

person to whom a local license is assigned, rather than only one of those names, as required under the ninth sentence of former Art. 56, § 534(d).

In subsection (c)(1) of this section, the former word "personal" is deleted as surplusage.

In subsection (c)(2) of this section, the defined term "engage{s} in the business of providing electrical services" is substituted for the former reference to "a single person, firm, or corporation by which the licensee is principally employed", to conform to the interpretation of the Department that an assignment of a license may be made only to a business.

As to the assignment of a local license and its effect, see Subtitle 4 of this title.
