COMMITTEE COMMENT: This section is new language derived from former Art. 56, § 321(b) and (d) and the first, second, fourth, and fifth sentences of (a) and § 322, as they related to reciprocal licenses issued by local jurisdictions.

Throughout this section, the references to a "local jurisdiction" are substituted for the former reference to "electrical board(s)", to reflect licensure by a local entity other than a local electrical board.

In subsection (a) of this section, the defined term "reciprocal license" is substituted for the former references to "reciprocal electrical license", for clarity.
