

COMMITTEE COMMENT: This section is new language substituted for former Art. 56, § 540(e), which required a local official to "ascertain that the electrical contractor is duly qualified according to any local requirements ..." and made a State license "adequate evidence of this qualification", to clarify the requirements.

Defined terms: "Local license" § 2-101
"Master electrician" § 2-101
"Provide electrical services" § 2-101
"State license" § 2-101
