

(3) A permit issued under this section shall have its expiration date indicated on its face in large letters or numbers.

(e) (1) A disabled person's parking permit shall be issued in the form of a windshield placard of a size and design as determined by the Administration.

(2) The placard shall contain the following information:

(i) The permit number;

(ii) The name and signature of the issuing authority;

(iii) The designation "Disabled Person's Parking Permit" displayed within the international wheelchair symbol;

(iv) The date of expiration; and

(v) Any other pertinent information the Administration requires.

(3) A person to whom a disabled person's parking permit is issued shall display the placard described in this section in:

(i) A Class A (passenger) vehicle or a Class M (multipurpose) vehicle;

(ii) A Class E (truck) vehicle with a 3/4 ton or less manufacturer's rated capacity and specially equipped for the transportation of or operation by a handicapped individual; or

(iii) A Class H, I, or J vehicle that is specially equipped for the transportation of handicapped individuals and is used exclusively for the transportation of handicapped or disabled individuals.

(f) When displayed by the person to whom it is issued, the placard shall be placed inside the vehicle in a position that it can be viewed from the outside through the lower right-hand portion of the windshield. When displayed, the person to whom a placard is issued under this section or under a similar provision of law of any state is accorded the privileges contained in § 13-616(f) of this subtitle.

(g) When using the parking privileges granted under § 13-616(f) of this subtitle:
