

(iii) For projects designated under federal regulations, State plans, or the departmental regulations provided for by Section (6)(b) of this Act as eligible for poverty area funding, State grants shall amount to up to 75 percent of the eligible cost remaining after the federal grant has been applied.

(iv) For purposes of this Act, community development block grant funds shall be considered as local matching funds and may not be considered as federal funds.

(c) The amount of the State grant for any project shall be determined after consideration of all eligible applications, the total of unallocated State funds available at the time the application is received, and such priorities of area need as may be established by the Department.

(d) No portion of the proceeds of a State grant may be used for the furtherance of sectarian religious instruction, or in connection with the design, acquisition, or construction of any building used or to be used as a place of sectarian religious worship or instruction, or in connection with any program or department of divinity for any religious denomination. Upon the request of the Board of Public Works, the applicant shall submit evidence satisfactory to the Board that none of the proceeds of the grant has been or is being used for a purpose prohibited by this Act.

(8) The Board of Public Works shall make allocations from funds available under this Act in accordance with this Act. The Board shall certify the allocations to the proper State officers, and the Treasurer shall make payments to or on behalf of the applicant, when needed, for the construction, acquisition, renovation, or equipping of a facility. The Board may adopt regulations for receiving and considering applications and for disbursing funds to or on behalf of applicants.

(9) If, within 30 years after completion of a project, a community mental health facility, addiction facility, or developmental disabilities facility with respect to which funds have been paid under this Act is sold or transferred to any person, agency, or organization that would not qualify as an applicant under this Act, or that is not approved as a transferee by the Board of Public Works, or if, within the same period, such a community mental health facility, addiction facility, or developmental disabilities facility ceases to be a "facility" as defined in this Act, then the State may recover from either the transferor or transferee or, in the case of a community mental health facility, addiction facility, or developmental disabilities facility that has ceased to be a "facility" as defined in this Act, from the owner, an amount bearing the same ratio to the then-current value of so much of the property as constituted an approved project as the amount of the State
