

(3) Requires for regular membership:

(i) A master's or doctoral degree in psychology, mental health, counseling, personnel and guidance, divinity, marriage and family therapy, or family and community development from an accredited college or university; and

(ii) At least 2 years' training or its equivalent under the supervision of a regular member in good standing of the association, a licensed physician, or a licensed or certified psychologist.

(b)† Unless the individual uses as a title or describes the services the individual provides by use of the words "psychological", "psychologist", or "psychology", this title does not limit†:

(1) The† THE right of an individual to practice a health occupation that the individual is authorized to practice under this article†; or

(2) The right of an individual who is a member of a recognized profession to provide services consistent with the training and ethical standards of the individual's profession.

(c) (1) On the petition of any person or on the Director's own initiative, the Director of Mental Hygiene may determine whether an occupation or profession qualifies as a recognized profession under this section.

(2) A determination by the Director of Mental Hygiene is not required for an occupation or profession to qualify as a recognized profession under this section†.

16-202.

(a) (1) The Board consists of [six] -8- 6 members.

(2) Of the [six] -8- 6 Board members:

(i) [One] 1 shall be a consumer member; and

(ii) [Five] -7- 5 shall be licensed psychologists, of whom:

1. At least [two] 2 shall be engaged primarily in providing psychological services; and
