

acquire the facility, written notice of the intent to make the arrangement is filed with the Commission and the Commission does not find, within 30 days after the Commission receives notice, that the health services or bed capacity of the facility will be changed;

(iii) Acquisition of business or office equipment that is not directly related to patient care;

(iv) Capital expenditures to the extent that they are directly related to the acquisition and installation of major medical equipment;

(v) A capital expenditure made as part of a consolidation or merger of 2 or more health care facilities, or conversion of a health care facility or part of a facility to a nonhealth-related use if:

1. At least 45 days before an expenditure is made, written notice of intent is filed with the Commission;

2. Within 45 days of receiving notice, the Commission in its sole discretion finds that the proposed consolidation, merger, or conversion:

A. Is not inconsistent with the State health plan or the institution-specific plan developed by the Commission as appropriate;

B. Will result in the delivery of more efficient and effective health care services; and

C. Is in the public interest; and

3. Within 45 days of receiving notice, the Commission shall notify the health care facility of its finding;

(vi) A capital expenditure by a nursing home for equipment, construction, or renovation that:

1. Is not directly related to patient care; and

2. Is not directly related to any change in patient charges or other rates; [or]

(vii) A capital expenditure by a hospital, as defined in § 19-301 of this title, for equipment, construction, or renovation that:

1. Is not directly related to patient care; and
