

JOINT RESOLUTIONS

investigate--and--evaluate--the--indoor-air-quality-of-State office-public-buildings;--requiring-the-committee-task-force to---submit---a---report---of---its---findings---and---certain recommendations-to-the-Secretary;--requiring-the-Secretary-to transmit-the-committee's-task-force-report-to-certain-State officials--by--a-certain-date;--and-generally-relating-to-the investigation-and-evaluation-of-the-indoor-air-quality--of State--office--public--buildings establish a Task Force on Indoor Air Quality to study the extent of the existence of dangerous levels of indoor air pollutants in homes and buildings in Maryland and to make recommendations for improving indoor air quality.

WHEREAS,--The-State-of-Maryland-owns-and--maintains--numerous office--buildings--throughout-the-State-of-Maryland-in-which-many thousands-of-State-employees-carry--out--their--duties--as--State employees-on-a-daily-basis;--and

WHEREAS,--Many--of--these--structures--are-antiquated-and-in continual-disrepair-and-many-more-recently-constructed--buildings are-not-kept-in-regular-repair-and-maintenance;--and

WHEREAS,--Many--State-public-buildings-have-been-constructed without-any-fresh-ventilation-available-in-any-manner-whatssoever, some-State-public-buildings-have-no-windows-constructed-in-office areas;--and-many-other-buildings-have-windows-constructed-in--such a--fashion--that--they--can--never-be-opened-to-provide-fresh-air flow;--and

WHEREAS,--Ventilation-systems-and--mechanical--operations--of air--conditioning--units--and--heating--systems--in--many--State buildings-are--in--disrepair--and--frequently--fail--to--function properly;--and

WHEREAS,--The--general--deterioration--and--lack--of--proper maintenance--throughout--many--State--office--public--buildings-has caused-and-will-cause-illness-among-employees-required-to-work-in unsafe--health--environments;--including--headaches;--persistent fatigue;--congestion;--eye--irritation;--nose;--ear--and--threat infections;--skin--infections;--and-similar-illnesses-and--problems; and

WHEREAS,---Indoor---air---quality---problems---have---become increasingly-prevalent-and-known-throughout-the-State-of-Maryland and--elsewhere--as--documented--by--the--National--Institute--for Occupational--Safety--and--Health-of-the-U.S.-Department-of-Health and-Human-Services;--the--center--for--disease--control;--and--the Maryland--Occupational--Safety--and--Health--Office--of-the-State Division-of-Labor-and-Industry;--and

WHEREAS,--It-is-the-basic-obligation-of-the-State-of-Maryland to-provide-a-healthy-work-environment--for--its--work--employees; now,--therefore,--be-it
