

WILLIAM DONALD SCHAEFER, Governor

Signed May 27, 1988.

No. 14

(House Joint Resolution No. 50)

A House Joint Resolution concerning

Extended Day Care Programs for Medically Handicapped Adults

FOR the purpose of requesting the Governor to establish a Task Force on Extended Day Care Programs for Medically Handicapped Adults to study options the State has in improving, coordinating and promoting opportunities for day care programs for medically handicapped adults.

WHEREAS, The number of medically handicapped adults who reach the age of 21 and leave the schools of Maryland is increasing; and

WHEREAS, There is misunderstanding and misinformation concerning appropriate day care programs for these medically handicapped adults thus creating a need for coordination, exploration, and identification of existing programs; and

WHEREAS, The lack of adult day care programs for medically handicapped adults causes many parents to choose between their continued employment and place their child in a residential institution or to resign from their employment to care for their adult child, thus losing salary, economic, and retirement benefits; and

WHEREAS, Providing extended day care for medically handicapped adults will improve the quality of life for all members of the concerned family; and

WHEREAS, The establishment of extended day care programs for medically handicapped adults is cost effective for the State of Maryland; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Governor is requested to establish a Task Force on Extended Day Programs for Medically Handicapped Adults; and be it further

RESOLVED, That the Task Force be composed of:

(1) (i) 3 members of the House of Delegates, appointed by the Speaker of the House; and
