The Honorable Thomas V. Mike Miller, Jr.
President of the Senate

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 320.

This bill requires the Secretary of Health and Mental Hygiene to adopt regulations governing certain medical laboratories, and requires that the regulations include restrictions and requirements with respect to practices of cytotechnologists, cytopathologists, and cytology laboratories.

House Bill 1293, which was passed by the General Assembly and signed by me on May 27, 1988, accomplishes the same purpose. Therefore, it is not necessary for me to sign Senate Bill 320.

Sincerely,
William Donald Schaefer
Governor
