Senate Bill No. 750

AN ACT concerning

Certification of Medical Radiation Technologists and  
Nuclear Medical Technologists --Exemption

FOR the purpose of ~~granting extending the date by which certain medical---radiation---technologists---and---nuclear---medical technologists--an-exemption-from-are-required-to-comply--with a-certain-certification-requirement;--and-generally-relating to--the-practice-of-medical-radiation-technology-and-nuclear medical-technology~~ individuals must be certified as medical radiation technologists or nuclear medical technologists; specifying that individuals certified by a certain organization are to be considered certified by the Board; requiring the Board to issue a certain certificate of temporary authority to certain individuals; requiring the Board to adopt certain standards for individuals issued certificates of temporary authority; requiring the Board to develop a certain examination; excepting certain individuals from the provisions of this Act; and generally relating to the practice of medical radiation technologists and nuclear medical technologists .

BY repealing and reenacting, without with amendments,

Article - Health Occupations  
Section 14-705.1  
Annotated Code of Maryland  
(1986 Replacement Volume and 1987 Supplement)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Laws of Maryland read as follows:

Article - Health Occupations

14-705.1.

(a) The Board of Medical Examiners shall:

(1) Define, for the purpose of this section, a "medical radiation technologist", a "nuclear medical technologist", "practice nuclear medical technology", and "practice medical radiation technology";

(2) Adopt rules and regulations concerning qualifications, training, certification, monitoring of, and enforcement requirements for a medical radiation technologist and a nuclear medical technologist; and
