

EXECUTIVE ORDERS

transaction of business;

(k) The members of the Council may not receive any compensation for their services. The public members may be reimbursed for the reasonable expenses incurred in the performance of duties, in accordance with the standard travel regulations, and as provided in the State budget;

(2) The Council shall advise the Governor on:

(a) The development of a comprehensive State policy on food and nutrition and, as necessary, subsequent modifications or revisions of that policy;

(b) The promotion and coordination in cooperation with other federal, State, local or private agencies, of unified programs for education, prevention and treatment of malnutrition and poor dietary habits;

(c) The review of existing and planned food and nutrition programs among the public and private sectors, identifying discrepancies and overlap of programs;

(d) The promotion and development of a public-private partnership to identify and address the nutritional needs of Marylanders.

(3) The Council shall submit an annual report on its activities to the Governor.

(4) The Department of Human Resources, in conjunction with the Department of Education, shall provide the Council with necessary staff and resources as feasible.

EXECUTIVE ORDER OF FEBRUARY 25, 1988

01.01.1988.03

GOVERNOR'S COMMISSION ON HEALTH CARE POLICY AND FINANCING

WHEREAS, The State of Maryland is concerned with protecting and enhancing the health of all the State's citizens; and

WHEREAS, Dramatic changes are occurring in the way health care is financed, organized and provided in Maryland and the United States; and

WHEREAS, The changing role of the Federal government in financing and structuring the health care system presents the State with new problems and opportunities; and
