

EXECUTIVE ORDERS

(1) To investigate the impact of mandated benefit laws on the people of this State to determine both the benefits derived from, and the economic and social costs relating, to these laws;

(2) To develop a coherent policy and statutory structure with respect to mandated health insurance benefits; and

(3) To recommend legislation to implement the policy developed by the Subcommittee.

-----

EXECUTIVE ORDER OF FEBRUARY 26, 1988

01.01.1988.04

CONSTRUCTION INDUSTRY EMPLOYER'S ADVISORY COUNCIL

WHEREAS, Construction is important to the economy as a whole and therefore to all citizens. It affects costs, prices, competitiveness in our State; and

WHEREAS, Construction industry employers and adjunct interests spend enormous amounts of capital, talent and effort in the construction of plants, office buildings, shopping centers, schools and other public service facilities; and

WHEREAS, To advance and improve the working methods, working by creating more for more people, recognizing that construction in one way or another touches the lives of every citizen; and

WHEREAS, Government regulation has a major effect on both cost and quality of construction, it effects almost every step of the building process; and

WHEREAS, The State of Maryland wishes to enhance, promote and review services and policies affecting the construction industry; and

WHEREAS, A forum to allow and encourage information, discussion, persuasion, motivation, encouragement and assistance will promote, maintain and expand construction activities and opportunities in Maryland;

NOW, THEREFORE, I, WILLIAM DONALD SCHAEFER, GOVERNOR OF THE STATE OF MARYLAND, BY VIRTUE OF THE AUTHORITY VESTED IN ME BY THE CONSTITUTION AND LAWS OF MARYLAND, HEREBY PROCLAIM THE FOLLOWING EXECUTIVE ORDER:
