

(1) THE APPLICANT:

(I) IS OF GOOD CHARACTER AND REPUTATION; AND

(II) PAYS TO THE BOARD AN APPLICATION FEE NOT EXCEEDING \$100, AS SET BY THE BOARD; AND

(2) THE BOARD RECEIVES FROM THE COUNCIL A CERTIFIED COPY OF ITS CERTIFICATE FOR THE APPLICANT.

REVISOR'S NOTE: Subsections (a), (b)(2) and (3), and (c)(1)(ii) and (2) of this section are new language derived without substantive change from former Art. 56, § 468(c), the first clause of § 466(h), and item (2) of the second sentence of § 472(a).

Subsections (b)(1) and (c)(1)(i) of this section are new language added to conform to § 3-303(b) of this subtitle and, thus, to clarify that only the examination requirement is waived under this section.

In subsections (a)(1) and (b) of this section, the word "licensed" is substituted for the former references to "registered" and "registration", for consistency and conformity to changes in terminology made throughout this article. See the General Revisor's Note to this article.

In subsections (b)(2) and (c)(1)(ii) of this section, the references to an "application fee" are substituted for the former references to "all fees" and to a fee for "[i]ssuance of registration by reciprocity", since the applicant pays one fee, at the time of application.

In subsection (b)(3) of this section, the phrase "in that or any other state or country" is added to provide expressly that the Board may waive the examination requirements for an architect on the basis of a license that, in turn, was acquired by waiver on the basis of licensure in another state or country. This phrase, which is included in comparable provisions throughout the Code and which conforms to the practice of the Board, allows the Board to give fair consideration under this section to an architect who, in the course of a professional career, practices in several states or countries before moving to this State to practice.

Defined terms: "Board" § 3-101
"Council" § 3-301 "Practice architecture" § 3-101
